

BAUER

FOR A GREEN WORLD

RAINSTAR T32/T42

The compact series for cost effective irrigation

- RAINSTAR with special BAUER PE-pipe
- 2-wheel chassis with adjustable track width and mechanical jack
- Revolving pipe drum-reel – with integrated mechanical leg supports
- Hot dip galvanized pipe drum, turntable and chassis
- Driven via BAUER turbine-gear combination consisting of:
NEW BAUER full-flow turbine TVR 18
NEW BAUER 4-speed gearbox with radial brake and PTO rewind system
- Irrigation computer ECOSTAR 4000S with back up battery and solar panel
- Automatic cart loading

NEW

Turbine-gearbox combination

Full-flow turbine with even greater efficiency & manufactured by BAUER

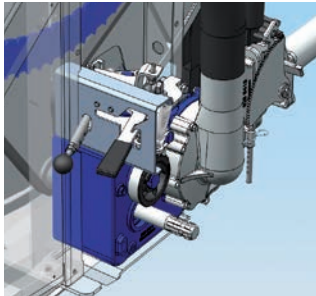

BAUER

FOR A GREEN WORLD

Thoughtfully engineered for successful irrigation

4-speed-gear box

gives optimized drive ratio for all retraction speeds, includes integrated radial brake and PTO rewind shaft

NEWLY developed pipe drum-reel

with easily accessed drum-reel shaft for fast maintenance

ECOSTAR 4000 S

proven fail-safe technology & simple touch button menu system

Universal wheeled trolley

for large area rainguns or spray boom attachment

- Adjustable track width
- For symmetric and asymmetric retraction of the pipe with pendulum balance
